CAMPAGNE APPEAL.

We have received from the terms which we propose to furnish the weekly *Appeal* during the campaign. We take the method of responding to all inquiries.

The campaign paper will end the 10th of November, and we will supply you with the same for the next year. We trust, as we believe, it will not find his bright name in the dark cloud of Black-Republicanism.

Mr. DOUGLASS has justified fully the high hope expressed in his behalf in the last issue, just before the election. And we claim that honor & approval should crown the return of this gallant knight to the arms of his friends.

When Douglass was wrong, we condemned, and when he was right, we defended him. When he is right, we defend, and when he is wrong, we condemn. That is the difference between us.

The Leavenworth question is now a dead issue, and has nothing to do with the present.

At the time of subscribing, twelve weeks of the campaign shall remain, the price will be thirty-six cents, which is three times twelve.

This is all we can tell you about the price. We will let you know after the publication of the first issue, when we have given you a chance to man-

age to determine the price for the year.

MISSISSIPPI DEMOCRATIC STATE CONVENTION.

We have observed that there is no concert of action among Mississippi friends with regard to the time and place of holding their State convention, for the purpose of nominating a candidate for the Presidency.

It is our opinion that there is no reason for this, as the friends of Douglass, who are to meet at Natchez, will hold a meeting on Saturday next, and the friends of Johnson and to take such steps as shall be deemed proper to give them effect and success.

All national, Union-leaving Democrats are invited to be present. Speeches may be ex- pected, and a雄赳赳的 banner will be served up on the occasion.

DEMOCRATIC MEETING ON THE MONDAY IN AUGUST.

The Democracy of Fayette county, favorable to Douglass and Johnson, are requested to meet in Somerville on the 1st Monday in August, to consider the question of the time and place of holding their State convention.

We have been assured that this will be acceptable to the friends of Douglass, and that this will be acceptable to the true and stern Democracy of the State.

Let us hope that our delegations and up their delegations.
